

Home School Agreement

Working in Partnership for Success

Our Shared Purpose

At Silverstone CE Primary, we believe children flourish when school and families work together. By sharing the same values and expectations, we help every child feel confident, supported and ready to succeed.

Our Home School Agreement operates in conjunction with our Trust [Parent Conduct Policy](#), ensuring a consistent and supportive framework for positive relationships between families and the school.

Parents & Carers – We Will:

- **Support school policies** and follow school procedures.
- **Communicate respectfully** with all staff.
- Read school messages and respond when needed.
- Make sure our child attends regularly, arrives on time and wears the correct uniform.
- Report absences by 9.00am and request planned leave in advance.
- Support homework and encourage good learning habits.
- Attend meetings about our child's progress/wellbeing or parent information meetings.
- Speak positively about the school in person and online.
- Avoid posting negative comments about the school on social media.
- Only share images of our own child online unless permission is given.

Learn Together

Grow Together

Achieve Together

Home School Agreement

Working in Partnership for Success

Together, We Will Help Our Child To:

- Wear their uniform with pride.
- Show the school values every day.
- Respect the school environment and equipment.
- Complete homework on time and try their best.
- Behave well in school and when representing the school in public.
- Follow online safety rules at home and in school.

Silverstone CE Primary Will:

- Celebrate each child as an individual.
- Share clear, timely information about learning, events and activities.
- Contact parents promptly with any concerns.
- Listen to and respond to pupils and parents.
- Model professionalism and high standards of behaviour.
- Support, encourage and challenge every child academically, socially and emotionally.
- Set age-appropriate homework.
- Help children develop responsibility, respect and positive attitudes.
- Welcome parents into school life and offer opportunities to get involved.
